Navigation bar & toggle

Navigation bar

Dashboard   Locations   Settings

Hourly/Daily toggle
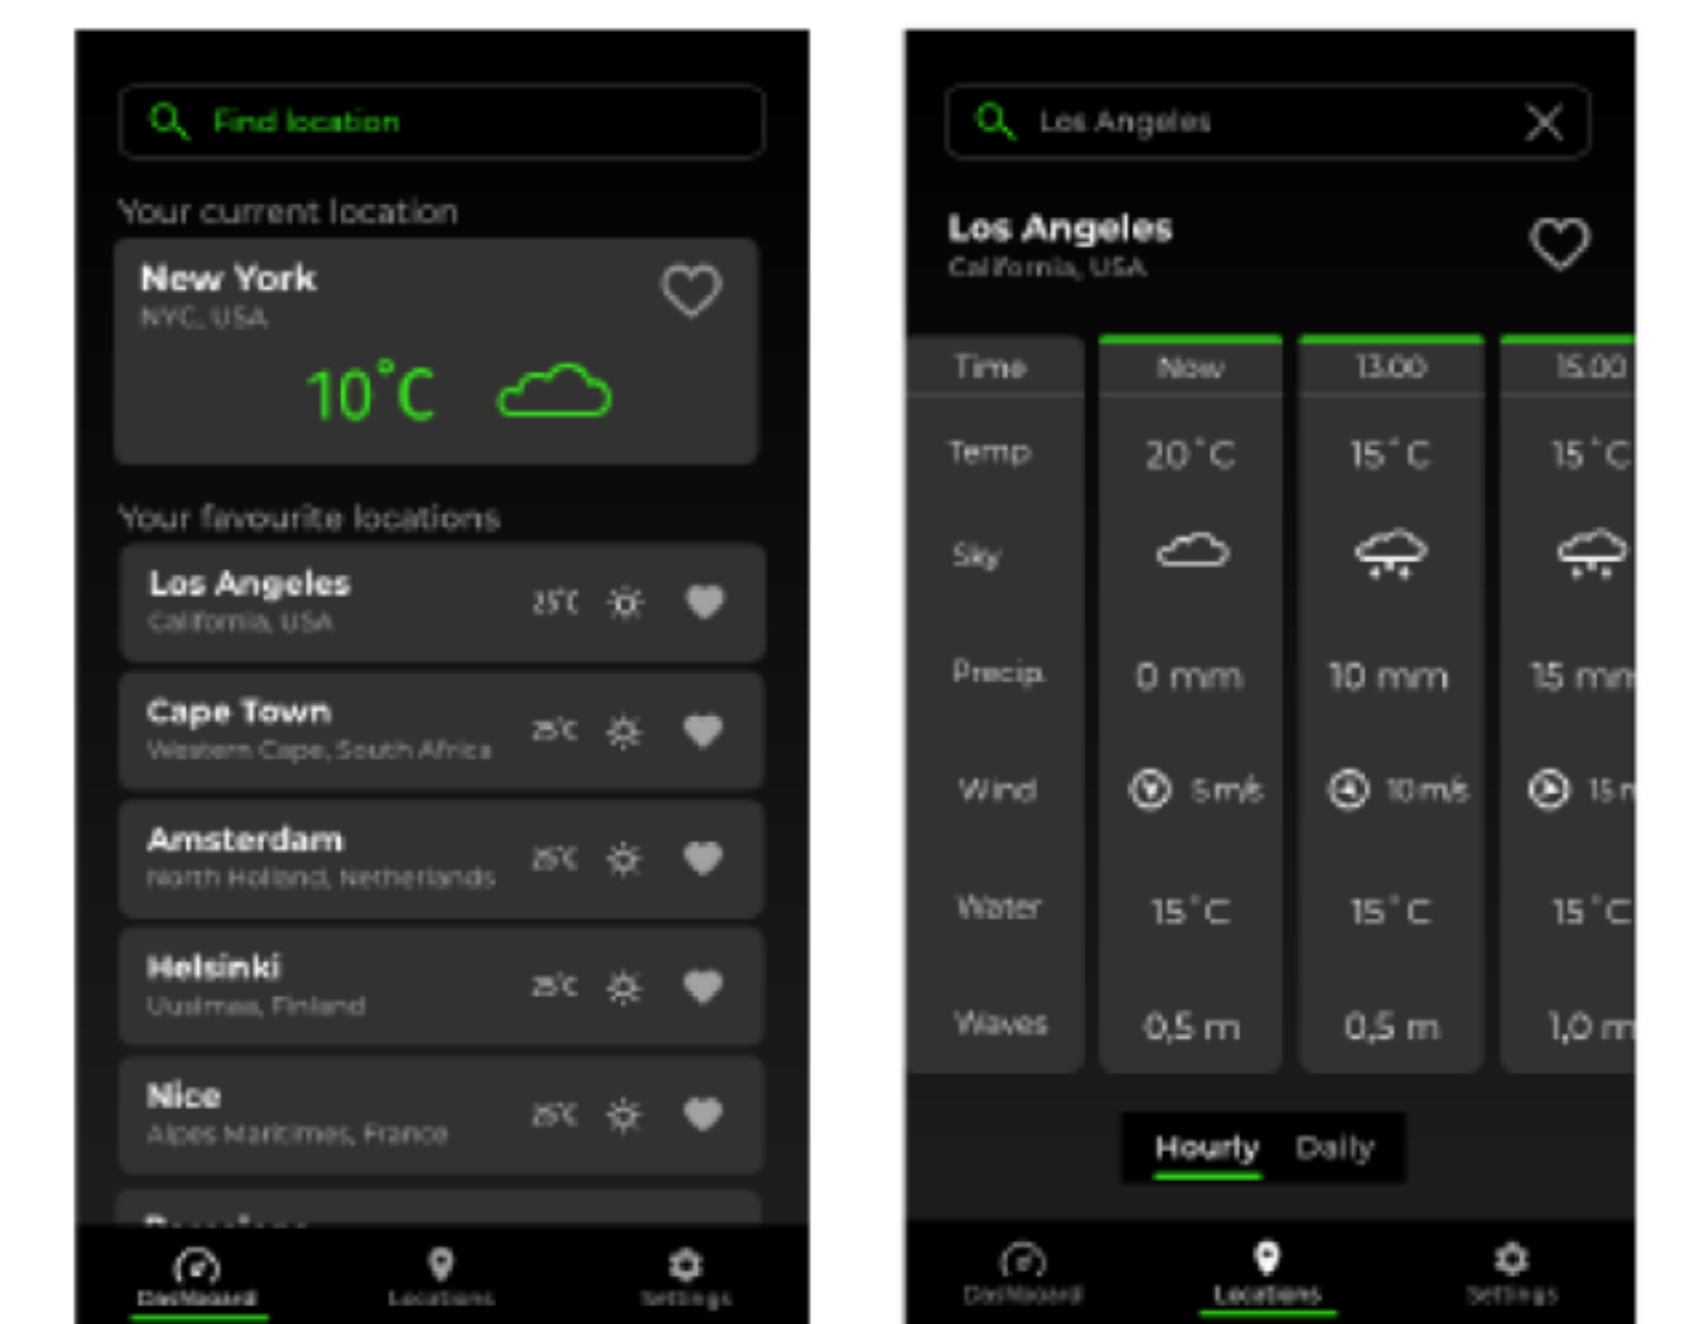

Hourly   Daily
Hourly   Daily

The navigation bar is placed directly on the black background, so its upper border is not visible on all the screens.

The selected icon is white and underlined with the 78x4px green (#33CF20) line. Non selected icons are grey (#C7C7C7).

By selection of a navigation bar icon, the movement of the green line is animated in order to underline the dynamic character of the app.
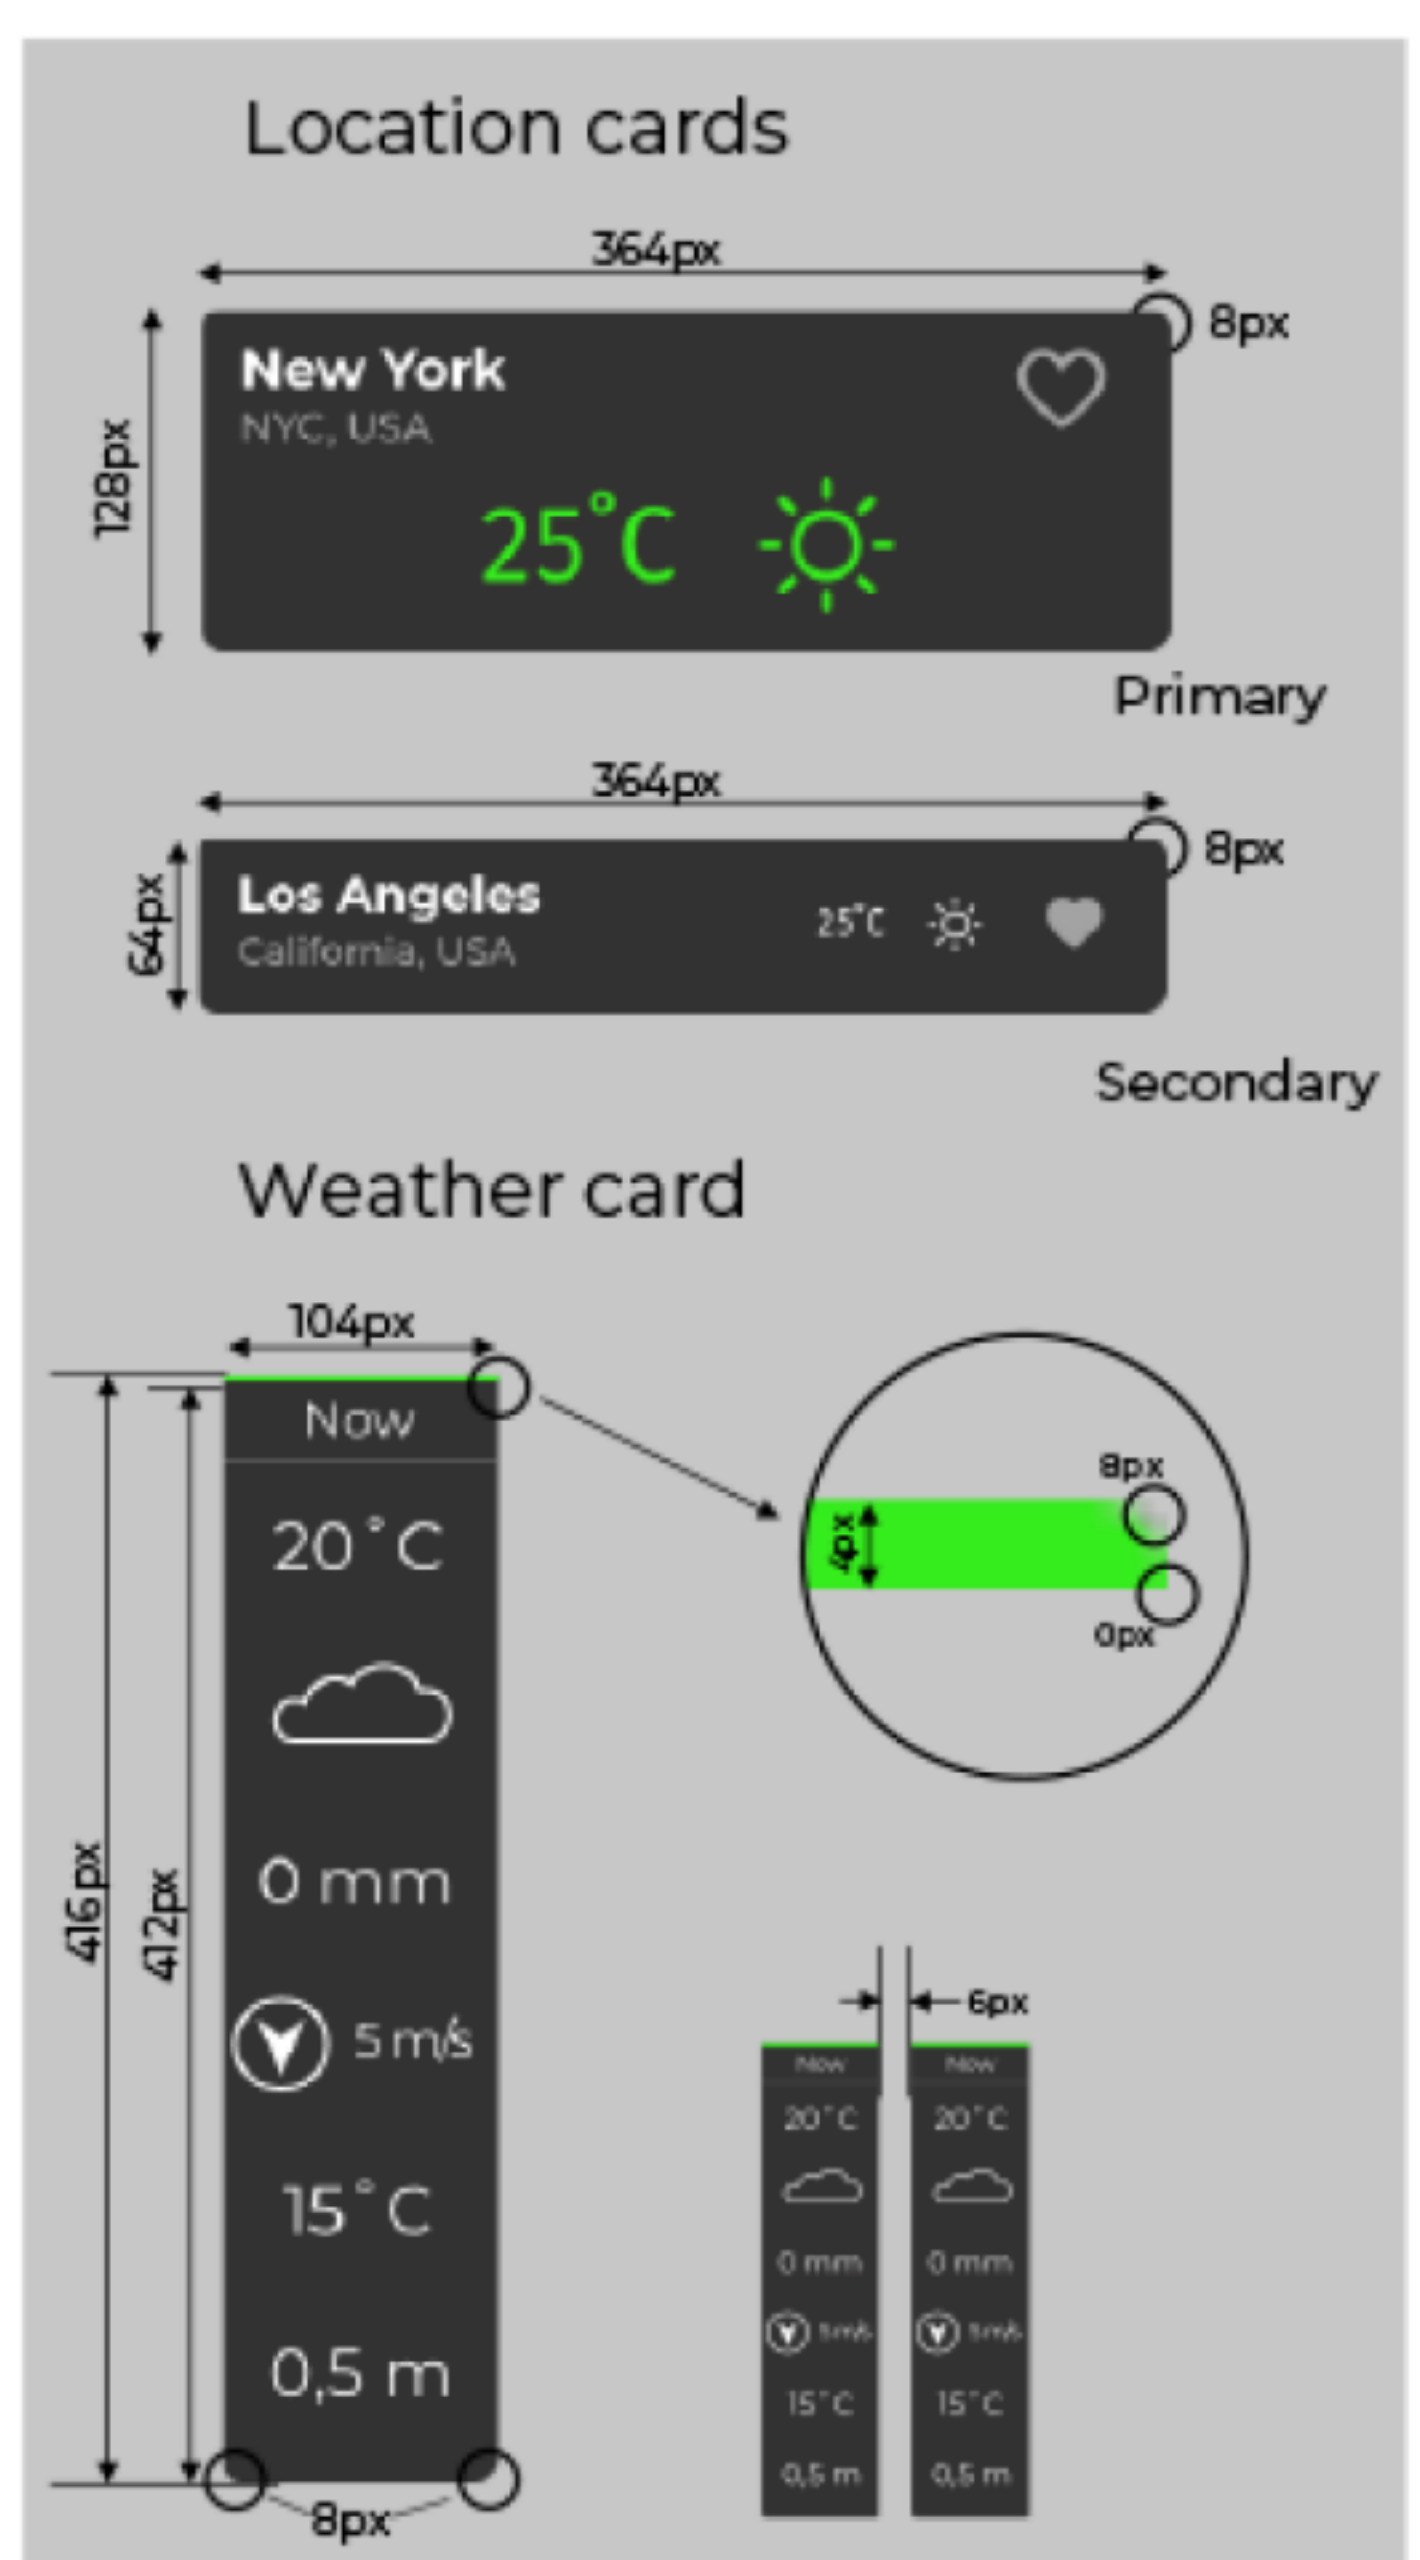

Font size: 17px

The colors of the the toggle and the animation of the green line are same as the ones in the navigation bar in order to keep consistency.
